

Använd inte produkten i områden med explosionsrisk eller där det förekommer brännbara vätskor, brännbart damm eller brännbara gaser.

Sänk aldrig ned produkten i vatten eller andra vätskor. Anslut produkten till ett lätt-tåkomligt uttag så att den snabbt kan kopplas från strömmen vid en störning.

Ta aldrig produkten i drift om den är fuktig. Ta aldrig i den arbetande produkten med fuktiga händer.

Använd inte produkten när den ligger i förpackningen. Täck inte över produkten –

eller låt den bli i kontakt med andra personer eller föremål.

Non coprire il prodotto – pericolo d’incendio.

Non esporre mai il prodotto a sollecitazioni estreme, ad es. caldo o freddo estremo, incendio ecc.

Non utilizzare sotto la pioggia o in ambienti umidi.

Non lanciarlo o farlo cadere.

Non aprire né modificare il prodotto! I lavori di riparazione devono essere effettuati esclusivamente dal produttore o da un tecnico di assistenza incaricato dal produttore, oppure da una persona dotata di una qualifica equivalente. Per scollegare il dispositivo

dal prodotto, premere il pulsante di arresto.

Do not use the product in rain or in humid conditions.

Do not throw or drop the product.

Do not use the product in the presence of flammable liquids or gases.

Do not use the product in the presence of explosive atmospheres.

Do not use the product in the presence of high voltages.

Do not use the product in the presence of high temperatures.

Do not use the product in the presence of high humidity.

Product niet openen of modificeren! Reparatiewerkzaamheden mogen alleen door de producent of een daardoor aangewezen servicemonteur of een vergelijkbaar gekwalificeerde persoon worden uitgevoerd.

De stekker van het apparaat mag alleen aan de stekker zelf of de stekkerbehuizing, maar nooit aan de kabel, uit het stopcontact worden getrokken.

Do not use the product in the presence of high voltages.

Do not use the product in the presence of high temperatures.

Do not use the product in the presence of high humidity.

Avfallsantera den uttjanta produkten enligt gällande föreskrifter.

Symbolen "Sopptunna" hänvisar till att den elektriska produkten inte får avfallshanteras tillsammans med vanligt hushållsavfall inom EU. Använd återfärdnings- och återvinningsskylten i din kommun eller kontakta återfördsäljaren där du köpte produkten.

Lämna produkten på en återvinningstation för avfallshantering av uttjanta elektriska produkter. Produkten får inte kastas i hushållssoptorna.

På så sätt följer du lagen och bidrar till miljöskydd. Informationen i denna bruksanvisning kan ändras utan föregående meddelande. Vi ansvarar inte för direkta, indirekta, tillfälliga eller övriga skador eller följdskador som uppstår till följd av felaktig hantering/användning eller underlåtenhet att beakta informationen i denna bruksanvisning.

Med förbehåll för tekniska ändringar. Med förbehåll för tryckfel.

IT Home Charger HC212 serve per alimentare dispositivi dotati di interfaccia USB standardizzata entro i parametri tecnici qui riportati.

SPIEGAZIONE DELLE INDICAZIONI Osservare i seguenti simboli e termini utilizzati nelle istruzioni per l'uso, sul prodotto e sulla confezione:

Informazione Utiliti informazioni aggiuntive

Nota Questa nota avvisa su possibili danni di qualsiasi tipo

Avvertimento | Attenzione – Pericolo! Può provocare lesioni gravi o letali

Disassemblare tutti i componenti e controllare se sono al completo e integri. Se l'alloggiamento è danneggiato, non mettere il prodotto in funzione. In questo caso, rivolgersi al rivenditore specializzato autorizzato o contattare il produttore tramite l'indirizzo del centro di assistenza.

TOELICHTING BIJ DE AANWIJZINGEN Houd rekening met de onderstaande tekens en woorden, die in de gebruiksaanwijzing, op het product en op de verpakking gebruikt worden:

Informatie | Nuttige aanvullende informatie

Opmerking Deze opmerking waarschuwt voor allerlei mogelijke schade

Waarschuwing | Let op – risicol Kan ernstig of fataal letsel veroorzaken

Alle onderdelen uitpakken en op volledigheid en beschadigingen controleren. Bij beschadigingen aan de behuizing het product niet gebruiken. Neem contact op met de geautoriseerde vakhandel of het serviceadres van de fabrikant.

Deze gebruiksaanwijzing bevat belangrijke informatie over het gebruik en de ingebruikname van dit product.

Lees voordat u het product in gebruik neemt de complete gebruiksaanwijzing zorgvuldig door. Daarbij moet ook de gebruiksaanwijzing van andere apparaten worden gelezen, die in combinatie met dit product gebruikt of op dit product aangesloten worden. Bewaar deze gebruiksaanwijzing voor later gebruik of voor de volgende eigenaar.

Bij niet-inachtneming van de gebruiksaanwijzing en de veiligheidsinstructies kan er schade aan het product en gevaar letsel voor de gebruiker en andere personen ontstaan.

De gebruiksaanwijzing heeft betrekking op de geldige normen en regels van de Europese Unie. Hiervoor ook de landspecifieke wetten en richtlijnen in het buitenland in acht nemen.

VEILIGHEIDSINSTRUCTIES
